

Home Address

It's almost impossible to keep all the details straight when househunting.
Print out one of these sheets for each house. You'll thank yourself later.

Basic Specs

of Bedrooms: _____

of Bathrooms: _____

Square Feet: _____

Days on Market: _____

Lot Size: _____

The Outside

Front Yard: _____

Back Yard: _____

House Exterior: _____

Neighborhood: _____

Community: _____

Here's your space to take notes on the feel of each room. How's the natural lighting? Is there anything you'd need to repair? What about good architectural features? How's the flooring? The more notes you take, the better you'll be later when you compare your choices.

Overall Floorplan

Common Areas

Kitchen

Bedrooms

Bathrooms

Garage

Any final thoughts about the house? These will make it easier to compare houses later.
For pros, include anything you fell in love with, anything that immediately stood out to you.
For cons, be sure to mention any significant repairs or changes you'd have to make.
